Dear Mr. Weisberg, September 18, 74

I just want to make this letter short. My friend and I are going to spend Friday, September 27th, at the Archives. Neither of us know anything about it so it should be a good learning experience from every angle. We'd like to see you on the day after that. That would be Saturday, the 28th. I have your phone number here: 473-8186. I'll give you a call at 9 o'clock on that Saturday morning. If you know now that you won't be able to see us at all that day then you may call me at my home. Call collect: area code is 216 the number is 261-2604. If you don't call before that weekend, then I'll call you on the 28th as stated.

You're right about Euclid. Its just east of "the mistake on the lake."

Looking forward to seeing you.
I still have the directions.

Tom
